Dear Don:

I appreciated the opportunity to meet with the Massachusetts Environmental and Energy Business Council at your recent breakfast meeting. The Council is off to a great start and I know that your upcoming program with Gus Schumacher will provide critical information for our companies. I know that the Council's continued work with the Massachusetts Office of International Trade and Investment will also be important as we all work to help more companies enter international markets.

I wish the Council continued success. Thank you again for hosting the breakfast. Best wishes to you and your family for the holidays.

Sincerely,

Michael S. Dukakis  
Governor
