PROGRAM CO-CHAIRS

Alicia Kabir, Partner

ERM

15 Park Row West, Suite 104, Providence, RI 02903

(401) 415-9608 // alicia.kabir@erm.com

Ms. Kabir is a Partner with ERM in Providence, Rhode Island. She has more than 16 years of experience in management systems, regulatory compliance, and remediation. She has experience in the energy, and manufacturing sectors and is focused on helping multinational companies obtain business value through improved EHS management. She specializes in Management of Change processes and helps organizations implement EHS information management systems.

Ethan Gyles, Senior Project Manager

ERM

15 Park Row West, Suite 104, Providence, RI 02903

(401) 415-9606 // ethan.gyles@erm.com

Ethan Gyles is a senior project manager and licensed professional engineer with ERM in Providence, RI. His focus as an environmental consultant is on assisting industrial clients with the technical, regulatory, and financial aspects of contaminated site management and environmental compliance. He holds a B.S. in Environmental Sciences and a M.S. in Environmental Engineering from the University of New Hampshire.

SPEAKERS

Kevin Bartlett, P.E., Manager, Environmental, Health and Safety

Raytheon Integrated Defense Systems

1847 West Main Road, Portsmouth, RI 02871

(401) 842-3301 // Kevin.M.Bartlett@raytheon.com

Mr. Bartlett graduated from the University of Rhode Island with a BS in Civil Engineering. He has more than 25 years experience as a civil/environmental engineer and EHS professional. He has held positions as an engineering consultant for Roux Associates and Beta Engineering, as a sanitary engineer for the RI Department of Environmental Management, an EHS Manager for Amgen and Raytheon and also served as Civil Engineer Squadron Commander and Environmental Officer during a military career with the RI Air National Guard.

Crista Bozogan, CPEA, REM, Senior Project Manager

ERM

15 Park Row West, Suite 104, Providence, RI 02903

(401) 415-9600 // crista.bozogan@erm.com

Crista Bozogan, CPEA, REM, is a Senior Project Manager and is based in ERM's Boston, Massachusetts, office. Ms. Bozogan has over sixteen years of experience in the environmental, health and safety fields. She has hands on experience in a wide range of areas that include: ISO 14001 EHS Management System, OHSAS 18001 H&S Management System, and Responsible Care 14001 Management System gap analysis, H&S-MS/EMS design and implementation; EMS and H&S-MS auditing; health, safety, and environmental compliance auditing; HSE training systems development and presentation; environmental plan and program development; and Safety Culture Assessments.

Timothy Collins, Manager, Environmental, Health and Safety

Teknor Apex Company

505 Central Avenue, Pawtucket, RI 02861

(401) 642-3298 // TCollins@teknorapex.com

Timothy E. Collins is currently the Environmental Health & Safety Manager at Teknor Apex Company in Pawtucket. Prior to joining Teknor Apex in June of 2015, his prior employment experiences were primarily in the manufacturing sector and R&D - Process Engineering, Developmental Chemistry, Manufacturing Supervision - but always with secondary responsibilities to Environmental, Health & Safety. He has worked primarily in the polymers industry with some experience in wire & cable and pharmaceutical logistics solutions, in Rhode Island, Connecticut, Massachusetts and Michigan. Mr. Collins has a Bachelor's Degree in Environmental Management and Policy with a minor in Sustainable Resource Management from Eastern Connecticut State University and a Master's Degree in Sustainability and Environmental Management from Harvard University Extension School.
