KEYNOTE SPEAKER

Martin Suuberg, Commissioner
Massachusetts Department of Environmental Protection
One Winter Street, Boston, MA 02108
(617) 292-5856 | martin.suuberg@state.ma.us

Martin Suuberg was appointed on January 8, 2015 as the Commissioner of the Massachusetts Department of Environmental Protection (MassDEP) by Governor Charles D. Baker and his Secretary of Energy and Environmental Affairs, Matthew A. Beaton.

With nearly 30 years of experience working in environmental and natural resource agencies at the state and federal level, Martin is a lawyer and manager who has effectively and efficiently administered the environmental laws that protect the quality of life for all Massachusetts' citizens.

Prior to his appointment as Commissioner, Martin served as Undersecretary for Environmental Affairs in the Executive Office of Energy and Environmental Affairs. At MassDEP, Martin served as Deputy Commissioner for Policy and Planning. He took over this position after 9 ½ years as the Regional Director for the Central Regional Office in Worcester, which serves more than 70 communities in Worcester County and nearby areas and is responsible for environmental permitting, inspection and enforcement activities.

Over his long career, Martin has also served as General Counsel to MassDEP and to the Executive Office of Environmental Affairs, as well as to the former Department of Environmental Management where he also served as Deputy Commissioner.

Before moving to Massachusetts, Martin was an Associate Solicitor and then Deputy Solicitor at the U.S. Department of the Interior in Washington, DC, where he worked on land management and natural resource issues.

PANEL MODERATOR

Michael J. Scipione, President

Weston & Sampson Engineers

Five Centennial Drive, Peabody, MA 01960-7985

(978) 532-1900 | scipionm@wseinc.com

Michael J. Scipione, P.E., is president and CEO of Weston & Sampson and has over 30 years of civil engineering experience. Mr. Scipione joined Weston & Sampson in 1985 and has been instrumental in the development and success of various business units. Elected to Weston & Sampson's Board of Directors in 2002, Mr. Scipione served as Chief Operating Officer from 2002 through 2004. In January 2005, Weston & Sampson's Board of Directors elected and promoted Michael J. Scipione, P.E., to the position of President and Chief Executive Officer. Since that time, Weston & Sampson has grown geographically to include regional offices along the East Coast.

As the firm's president, Mr. Scipione continues to provide clients and business associates with an accessible and hands-on approach to projects while fostering Weston & Sampson's tradition of prompt client service and response. In addition, he provides the transportation, solid waste, wastewater, and water divisions with management and training to support various projects.

With registration as a professional engineer in the states of Connecticut, Maine, Massachusetts, New Hampshire, Vermont, and Rhode Island, Mr. Scipione has been an active participant in national and regional professional organizations throughout his career. Mr. Scipione earned a Master of Science degree in Environmental Engineering from Northeastern University and a Bachelor of Science degree in Civil Engineering from Worcester Polytechnic Institute. He is a graduate of ACEC's Senior Executive Institute and Harvard Business School's Program for Leadership Development.

In addition to his involvement in the EBC, he is also on the Board of Directors for the American Council of Engineering Companies of Massachusetts (ACEC/Ma). Mr. Scipione is a member of the American Water Works Association (AWWA), the Solid Waste Association of North America (SWANA), (WTS), and the New England Water Environment Association (NEWEA).
