- 12:00 p.m. Adjourn**

CONFERENCE CHAIR

David A. Murphy, P.E., Vice President

Tighe & Bond
177 Corporate Drive, Portsmouth, NH 03801
(603) 433-8818 | M (617) 319-0447 | damurphy@tighebond.com

David Murphy is a civil environmental engineer with 33 years managing major and complex projects and a wide variety of clients. He has managed all engineering and construction for CRS in the aftermath of the 2004 Tsunami in Banda Aceh, led an Environmental Engineering firm, and managed major and complex projects for the Commissioner's office of the Massachusetts DEP for near 9 years helping to manage the environmental oversight of the \$14.5 Billion Big Dig, Quincy's Granite Links project, the Boston Harbor dredge project, and numerous other Mega projects. For ten years he has served at Tighe & Bond as Vice President managing hundreds of projects including all aspects of Solid Waste Management, Materials Management, Renewable Energy Site/Civil, & Coastal Engineering, and works closely with Real Estate Development, and dozens of Municipal clients.

SPEAKERS

Chris Carney, Owner

C. Carney Environmental
1958 Broadway, Raynham, MA 02767
(508) 822-0338 | redcarney@aol.com

Chris Carney is the owner of C. Carney Environmental, a full-service waste stream management company offering services to residential, commercial, and industrial customers. C. Carney's LEED Certification assists small and big business owners in responsible and sustainable everyday waste solutions.

Greg Cooper, Director of Business Compliance and Recycling

Bureau of Air & Waste, MassDEP
1 Winter Street, Boston, MA 02108
(617) 292-5988 | greg.cooper@state.ma.us

Greg has over 20 years of experience working on solid waste issues in Massachusetts. He currently manages the Commonwealth's efforts on waste reduction, recycling, toxicity reduction, and composting. This includes running several financial and technical assistance programs and actively participating in solid waste policy and regulatory development.

Paul Degnan, General Manager

Casella Recycling
Paul.Degnan@casella.com

John Farese, Market Manager

Wheelabrator Technologies
100 Arboretum Drive, Suite 310, Portsmouth, NH 03801
M (978) 660-4282 | jfarese@wtienergy.com

John Farese has worked in the solid waste management industry for over twenty five years. John began in 1990 for Chambers Development in Pittsburg Pennsylvania. Over the years he has managed landfill and

Environmental Business Council of New England, Inc.
375 Harvard Street, Suite 2 | Brookline, MA 02446
(617) 505-1818 | ebc@ebcne.org | @ebcne | www.ebcne.org

transfer facilities in Massachusetts, Pennsylvania, West Virginia and Maryland. Currently John is Market Manager for Wheelabrator Technologies. He is responsible for pricing and volume at the WTE plants in Massachusetts and New Hampshire. John has extensive experience with all aspects of MSW and C&D recycling along with landfill development, construction and operations. John holds a bachelor's Degree from Wentworth Institute of Technology in Civil Engineering.

Ben Harvey, President

E. L. Harvey & Sons, Inc.

68 Hopkinton Road, Westborough, MA 01581

(508) 836-3000 | baharvey@elharvey.com

Ben Harvey is the President and one of the owners of E.L. Harvey & Sons, Inc. After graduating from Delaware Valley College with a Bachelor of Science degree in 1971, Ben moved into an active leadership role at E.L. Harvey & Sons. His duties within the company include negotiating the sales of recyclables to mills worldwide. He contracts with disposal sites for the safe and efficient transfer of waste materials. Ben is a superior administrator, providing leadership and motivation to the company's management team.

Ben is a well-respected and nationally recognized business leader and an authority in his industry. He has used his years of experience and wealth of knowledge in the industry to educate thousands of business and association leaders.

Ben brings his knowledge and know-how to many industry associations, including WasteCap of Massachusetts, MassRecycle, Detachable Container Association (DCA), National Recycling Coalition (NRC), Institute of Scrap Recycling Industries (ISRI). He has presented to national forums at numerous WasteExpo and ISRI conventions. Ben is a very accomplished and highly recognized public speaker for the waste and recycling industries.

Ben also takes active leadership roles in many trade organizations and associations. He is a past president of the Eastern Paper Mills Association and the Waste Recyclers Council of NSWMA and currently holds leadership roles on the Board of Directors of MassRecycle and WasteCap of Massachusetts. He is President of the Paper Stock Industry, a chapter of the Institute of Scrap Recycling, as well as being on the Board of Governors of the Environmental Industries Association. He is on the Board of Directors ISRI, the Board of Directors of Detachable Container Association (DCA), he is vice president of this organization, and he is on the board of the Environmental Business Council of New England. Ben serves in many committees and task forces for the Institute of Scrap Recycling Industries.

Ron San Angelo, Town Manager

Town of Southbridge, MA

41 Elm Street, Southbridge, MA 01550

(508) 764-5405 | rsanangelo@southbridgemass.org

Ron San Angelo is currently the Town Manager for Southbridge, Massachusetts managing 100+ employees and a \$50 million budget. He has deep insight into state and local government after serving as a State Legislator in Connecticut for 10 years, as a board member for the Naugatuck EDC for 8 years, and in town administration, in various positions, for the past 20 years.

Ron has extensive knowledge of budgeting processes, financial policy issues, and all aspects of managing a town, including economic development strategies, public safety matters, land use regulations, education policy, public personnel management, and union relations.

Mark Troiano, President and CEO
Troiano Waste Services, Inc.
10 Filmike Way, South Portland, ME 04106
(508) 839-1300 | M (508) 277-5663 | office.troiano@yahoo.com

Jim Wollschlager, CEO
Organix Solutions
553 Washington Street, Gloucester, MA 01930
M (612) 919-1355 | jim.wollschlager@organixsolutions.com

Jim Wollschlager has three decades of management experience as a business leader in the Minneapolis-St. Paul/Twin Cities business community.

Jim provides leadership and oversight as CEO of Organix Solutions, an organics recovery and municipal solid waste company based in Minnesota. Jim monitors financial performance, assures appropriate controls and accountability are in place for all resources.

In addition, he is COO for Randy's Environmental Services. Jim has overseen acquisitions, acquired permitting and successfully secured municipal and commercial contracts. He co-developed the Blue Bag Organics® co-collection program in his home state using a proprietary compostable bag for co-collecting organics with MSW trash on a single truck. Organix Solutions is now rolling out the co-collection program nationwide as Green Bag Organix™.
