## PROGRAM CHAIR

**Suzanne C. Courtemanche**, LSP, CHMM, Senior Project Manager  
Tighe & Bond  
300 West Exchange Street, Suite 300, Providence, RI 02903  
401.455.4303 | [scourtemanche@tighebond.com](mailto:scourtemanche@tighebond.com)

Sue is a Senior Project Manager at Tighe & Bond. She is a Licensed Site Professional (LSP) and Certified Hazardous Materials Manager (CHMM) who specializes in environmental site investigation and remediation projects, environmental auditing, and environmental compliance and permitting for a variety of private and public-sector clients. She has a BS in Civil Engineering from the University of Rhode Island and over 34 years of professional environmental consulting experience in New England and New York. Sue is active in the Massachusetts LSP Association (LSPA) and served as both President of the LSPA and Chairman of the Education Committee. In addition, she served on the Board of Directors for the Rhode Island Society of Environmental Professionals (RISEP) from 2003 through 2008. She is currently serving on the Board of Directors for the Pawtucket Foundation, on the EBC-Rhode Island Leadership Team, and on the Environmental Subcommittee of the American Council of Engineering Companies (ACEC) Rhode Island Chapter.

## SPEAKERS

**Mark M. Dennen**, CPG, Supervising Environmental Scientist  
RIDEM/Office of Waste Management  
235 Promenade Street, Providence, RI 02908  
401.222.2797 x7112 | [mark.dennen@dem.ri.gov](mailto:mark.dennen@dem.ri.gov)

Mark Dennen is a Supervising Environmental Scientist at RIDEM's Office of Waste Management. He is a Certified Professional Geologist with a B.S. from Bridgewater State and Master's Degree from the University of Oklahoma in Geology. Following his work as a consultant, he began working at the Rhode Island Department of Environmental Management for 30 years. He is responsible for oversight of Solid, Hazardous and Medical Waste in addition to inactive landfill closure and disaster debris response planning. His most recent publication was on Disaster Debris Management and appeared in the January 2013 Edition of The Professional Geologist. Outside of work, he teaches martial arts, Zen meditation, outdoor ministry and emergency first aid.

**Nicole Wilkinson**, Director, Corporate Environmental  
CVS Health  
One CVS Drive, Mail Code 2340, Woonsocket, RI 02895  
401.770.7132 | M 401.256.7615 | [nicole.wilkinson@cvshealth.com](mailto:nicole.wilkinson@cvshealth.com)

Nicole Wilkinson provides strategic direction and enterprise oversight of environmental compliance for CVS Health. This includes regulatory compliance, permitting, EHS management systems, emergency response, waste minimization, and sustainability initiatives. Prior to joining CVS Health, she managed compliance programs for Dominion Power generation facilities in the northeast and midwest and was a consultant for ten years of her career as a civil and environmental engineering consultant helping commercial and industrial clients with innovative solutions for site design and environmental permitting services. Nicole is on the Board of Directors for NAEM which is the largest professional group for Environmental Health Safety and Sustainability professionals. She holds a BS in Civil & Environmental Engineering from Roger William's University and a MS in Natural Resources from the University of Rhode Island.
