

EBC New Hampshire Emerging Contaminants Program Identifying and Addressing Risks from PCBs in Building Materials

Wednesday, September 25, 2019

One Hundred Club | Portsmouth, New Hampshire

AGENDA

- 8:00 a.m. **Welcome, Introduction and Overview: What You Will Learn**
- Elizabeth Denly, Vice Chair, EBC Emerging Contaminants Committee
Program Co-Chair and Moderator
Quality Assurance & Chemistry Systems Director, TRC
- 8:15 a.m. **Toxicology of PCBs**
- Karen Vetrano, Ph.D., Manager, Risk Assessment & Toxicology, TRC
- 8:30 a.m. **Re-occupancy Testing – Regulatory Requirements and Achieving Compliance**
- Malcolm Beeler, Team Leader, PCB Technical Lead, Weston & Sampson
- 9:00 a.m. **A Legal Perspective on PCBs in Building Materials**
- Mark Beliveau, Partner, Pierce Atwood, LLP
- 9:30 a.m. **Networking Break**
- 10:00 a.m. **Panel Discussion**
- Panel Moderator:** Matt Preston, Program Co-Chair; EnviroVantage
- Panel Members:**
- Malcolm Beeler, Weston & Sampson
 - Mark Beliveau, Pierce Atwood, LLP
 - Karen Vetrano, TRC
- 11:30 a.m. **Adjourn – Closing Remarks – Elizabeth Denly**

PROGRAM CO-CHAIRS

Elizabeth Denly, Quality Assurance & Chemistry Systems Director
TRC
650 Suffolk Street, Lowell, MA 01854
978.656.3577 | cell 978-328-2551 | edenly@trcsolutions.com

Ms. Denly is the Quality Assurance/Chemistry Director in the Environmental Sector at TRC. She is a chemist with 29 years of consulting experience encompassing field and laboratory analyses and audits, QA/QC, data validation, and consulting for regulatory agencies.

As a senior QA specialist at TRC, Ms. Denly is responsible for providing QA/QC oversight in support of a variety of environmental investigations and remediation programs including risk-based soil cleanups, ambient air monitoring, and human health and ecological risk assessments. In this role, she has directed the preparation of QAPPs, coordination with the laboratory, selection of the appropriate analytical methodologies to achieve the desired remedial standards, oversight and performance of the data validation process, and determination of the usability of the data and achievement of data objectives.

Matt Preston, Director of Business Development
EnviroVantage
629 Calef Highway, Epping, NH 03042
603.679.9682 | M 603.583.2215 | mattp@envirovantage.com

Matt Preston is the Director of Strategic Business Development for EnviroVantage. In this role, he leads the targeted development of business opportunities as well as strengthening client partnerships within all industry verticals. Achieving nearly a decade of experience in client development while simultaneously pursuing his MBA, Mr. Preston remains focused on his commitment to insuring EnviroVantage's position as an industry forerunner in environmental knowledge, skill, and experience.

SPEAKERS

Malcolm Beeler, Team Leader, PCB Technical Lead
Weston & Sampson
273 Dividend Road, Rocky Hill, CT 06067
860.513.1473 | BeelerM@wseinc.com

Mr. Beeler is a Senior Project Manager and Team Leader with Weston & Sampson Engineers in Rocky Hill, CT. He is a Licensed Environmental Professional with 30 years of experience in the environmental consulting industry focused on creative problem solving, project management, site investigation, contaminant remediation and environmental compliance. His consulting practice presently includes site investigation and remediation for PCBs in soil, groundwater, and building materials at numerous sites. He has a Master's Degree in Environmental Engineering and Bachelors of Science degrees in Chemistry and Civil Engineering, all from the University of Texas at Austin.

Mark Beliveau, Partner
Pierce Atwood, LLP
One New Hampshire Avenue, Suite 350, Portsmouth, NH 03801
603.373.2002 | mbeliveau@PierceAtwood.com

Combining more than 30 years of experience in environmental and commercial real estate law, Mark Beliveau works with clients to successfully manage environmental risk in the context of business operations, transfer and development of real estate and commercial transactions. Mark has extensive experience

advising clients on state and federal environmental permitting, compliance and enforcement issues, soil and groundwater remediation, Brownfields, Superfund, and water resources. Mark has creatively found solutions to environmental problems by working constructively with responsible parties and regulators, by drafting and guiding legislation and, when necessary, by seeking relief through the courts. Mark was the Managing Partner and CEO of the Hampton, New Hampshire law firm Sanders & McDermott before joining Pierce Atwood in 2003. At Sanders, he was the practice manager for that Firm's Environmental and Real Estate practices.

Karen Vetrano, Ph.D., Manager, Risk Assessment and Toxicology
TRC
21 Griffin Road North, Windsor, CT 06095
860.298.6351 | kvetrano@trcsolutions.com

Dr. Vetrano has over 29 years of experience and manages TRC's Risk Assessment and Toxicology Practice as well as the Odor Evaluation and Control Group. Dr. Vetrano provides management and technical support for the various components of human exposure and health risk assessments under Federal and State Programs. She holds a B.S. in Toxicology from Northeastern University and a Ph.D. in Toxicology from the University of CT.

UPCOMING EBC PROGRAMS

SEPTEMBER 2019

September 27 – Ocean and Coastal Resources Program: Coastal Contamination

OCTOBER 2019

October 1 – Leadership Series with MassDEP Regional Teams: Southeast

October 2 – New Hampshire Energy Update

October 3 – New Member Orientation & Committee Wine Tasting

October 10 – Briefing from the Rhode Island DEM Section Chiefs

October 18 – Dam Removal in the Northeast

October 22 – Rhode Island Emerging Contaminants Program: PFAS Overview

October 23 – Leadership Series with MassDEP Regional Teams: Northeast

October 24 – New Hampshire Offshore Wind Update

October 29 – Ocean & Coastal Resources Program: MVP Implementation

October 30 – Update from the Connecticut DEEP Environmental Quality Leadership Team

NOVEMBER 2019

November 1 – Rhode Island Solid Waste Update

November 4 – Solid Waste Management Committee Program Planning Meeting

November 5 – Water Resources Program: PFAS in Water

November 12 – Solid Waste Management Program: Impact of PFAS on Solid Waste Operations

November 13 – Evening Program: Update from MWRA Executive Director Fred Laskey

November 18 – New Hampshire Chapter Program Planning Meeting

DECEMBER 2019

December 5 – Annual Winter Garden Party

December 10 – Annual New Hampshire Chapter Holiday Party
