

EBC Connecticut Emerging Contaminants Program Advanced Topics in Disposal and Decontamination of PCB Wastes

Thursday, November 7, 2019

Eversource Energy | Berlin, Connecticut

AGENDA

- 8:00 a.m. **Welcome, Introduction and Overview: What You Will Learn**
- Malcolm Beeler, Program Co-Chair and Moderator
Member, Leadership Team, EBC TSCA & Emerging Contaminants Committee
PCB Technical Lead, Weston & Sampson
- 8:15 a.m. **Setting Your Site Up for Rail Disposal**
- Ross Hartman, Executive Vice President, Strategic Environmental Services, Inc.
 - Pete Long, Strategic Accounts Manager, Heritage Environmental Services, LLC
- 8:45 a.m. **Thermal Desorption of PCBs as an Alternative Disposal Technology**
- Scott Miller, Region General Manager, New England, Clean Earth
- 9:15 a.m. **Disposal of Metal with PCB Paints**
- David McCarley, Program Co-Chair
Business Development Manager, Northeast United States, Clean Harbors
- 9:45 a.m. **Networking Break**
- 10:15 a.m. **Decontaminating Dewater Effluent at a PCB Remediation Site**
- Malcolm Beeler, Program Co-Chair
PCB Technical Lead, Weston & Sampson
- 11:00 a.m. **Panel Discussion**
- Panel Moderator:** David McCarley, Clean Harbors
- Panel Members:**
- Malcolm Beeler, Weston & Sampson
 - Ross Hartman, Strategic Environmental Services
 - Pete Long, Heritage Environmental
 - Scott Miller, Clean Earth
- 12:00 p.m. **Adjourn – Closing Remarks – Malcolm Beeler**

PROGRAM CO-CHAIRS

Malcolm Beeler, Team Leader, PCB Technical Lead
Weston & Sampson
273 Dividend Road, Rocky Hill, CT 06067
860-513-1473 | BeelerM@wseinc.com

Mr. Beeler is a Senior Project Manager and Team Leader with Weston & Sampson Engineers in Rocky Hill, CT. He is a Licensed Environmental Professional with 30 years of experience in the environmental consulting industry focused on creative problem solving, project management, site investigation, contaminant remediation and environmental compliance. His consulting practice presently includes site investigation and remediation for PCBs in soil, groundwater, and building materials at numerous sites. He has a Master's Degree in Environmental Engineering and Bachelors of Science degrees in Chemistry and Civil Engineering, all from the University of Texas at Austin.

David McCarley, Business Development Manager, Northeast United States
Clean Harbors
42 Longwater Drive, Norwell, MA 02061
732-372-2886 | mccarley.david@cleanharbors.com

Mr. McCarley is a Principal Environmental Scientist with nearly 30 years of experience providing a wide range of environmental services to clients in private industry, Federal Agencies, State governments and municipal entities as a Program and/or Project Manager. During his career he has directly managed operations on a wide variety of projects ranging from Phased Environmental Site Assessments (I-IV) to advanced soil and groundwater assessment and remediation projects under the Superfund Innovative Technology Evaluation (SITE) program, on Superfund Sites, and on EPA Brownfields Assessment Pilot Projects.

Mr. McCarley has served as Project Manager on numerous environmental service projects and contracts for the DoD and DoE, USAF, and USACE. He has completed assessment and remediation projects under the BRAC, FUDS/FUSRAP and Navy CLEAN programs through direct contracts (ID/IQ MARC, HTRW, WERC) and as a WBE/DBE/8(a) subcontractor to larger consulting firms. In addition, as a project manager he has managed contracts/task order authorizations for complex mixed waste remediation projects with budgets from \$10 million to over \$90 million.

SPEAKERS

Ross Hartman, Executive Vice President
Strategic Environmental Services, Inc.
75 Hedgerow Drive, Warwick, RI 02886
T 508-757-7782 | M 401-391-8052 | rhartman@strategic-es.com

Mr. Hartman serves as the Co-Owner and Executive Vice President of Strategic Environmental Services where he is responsible for the management and oversight of all aspects of the day to day business operations. Mr. Hartman has over 20 years of experience in environmental industry with a focus on site remediation, redevelopment projects, management of hazardous wastes and PCB and asbestos abatement projects. Mr. Hartman holds a BS in Geology from Central Connecticut State University and attended the Greater Boston Executive Program at MIT Sloan School of Business.

Pete Long, Strategic Accounts Manager
Heritage Environmental Services, LLC
6510 Telecom Drive Indianapolis, Indiana 462788
339-236-4645 | plong@heritage-enviro.com

Pete Long is a Strategic Accounts Manager at Heritage, an Indianapolis-based environmental services provider specializing in the treatment or destruction of hazardous wastes with customers and facilities throughout North America. Pete is responsible for managing accounts that focus on hazardous soil and debris transportation and disposal to the Heritage owned and operated landfill and incinerator. Pete's 20-year career in the environmental industry has been focused on Industrial Service, Remediation and the associated Transportation and Disposal of waste generated by these activities. Pete's knowledge comes from his diverse background in the field service and waste brokerage industry. Pete started in the industry as a Field Supervisor for North Country Environmental in Milford, MA from 1999-2004. Then moved on to EQ, The Environmental Quality as the EQ Northeast Field Service Manager in 2004. Pete then went on to serve 14 years at EQ and ultimately US Ecology in both operations and sales as Operations Manager, Account Executive and finally the National Director of Remediation from 2014-2018. He came to The Heritage Group in 2018 to start what is now Real Estate Recovery Capital (a Brownfield company) before transitioning to Heritage Environmental in April 2019. Pete is a 1994 graduate of The University of Rhode Island where he was a 2-year letterman Strong Safety on the football team.

Scott Miller, Regional General Manager
Clean Earth, Inc.
58 North Washington Street, Plainville, CT 06062
860-670-7608 | smiller@cleanearthinc.com

Scott Miller is the Regional General Manager, New England for Clean Earth Inc. supporting three low temperature thermal desorption soil treatment facilities, design and management of beneficial soil reuse projects and General Manager of United RETEK of Connecticut, the only permitted, mobile, hazardous waste treatment process in the State of Connecticut. Scott has 25 years of comprehensive engineering and management experience in the environmental industry. He has designed, installed and managed groundwater treatment systems, industrial wastewater treatment facilities, in situ soil remediation systems, engineered controls and soil treatment solutions. Scott is a licensed Professional Engineer in Connecticut. He earned his Bachelor of Science in Civil Engineering from Lehigh University and his Master of Business Administration in Business Management at UMass Amherst.

UPCOMING EBC PROGRAMS

NOVEMBER 2019

November 7 – Connecticut Chapter Program Planning Meeting

November 8 – Annual Ocean and Coastal Resources Dredging Conference

November 12 – Solid Waste Management Program: Impact of PFAS on Solid Waste Operations

November 13 – Evening Program: Update from MWRA Executive Director Fred Laskey

November 14 – New Hampshire Climate Change Update

November 15 – Climate Change Matchmaking Forum

November 19 – Dam Management Program: Permitting & Funding for Removal

November 20 – TSCA and PCB Subcommittee Program Planning Meeting

November 20 – Emerging Contaminants Subcommittee Program Planning Meeting

November 22 – Climate Adaptation Forum – Infrastructure

November 25 – Water Resources Committee Program Planning Meeting

DECEMBER 2019

December 2 – Rhode Island Chapter Program Planning Meeting

December 2 – New Hampshire Chapter Program Planning Meeting

December 3 – Rhode Island Enforcement Program with DEM & EPA

December 5 – Annual Winter Garden Party

December 9 – Energy Resources Committee Program Planning Meeting

December 9 – Dam Management Committee Program Planning Meeting

December 10 – Annual New Hampshire Chapter Holiday Party

December 11 – EBC & RISEP Annual Rhode Island Chapter Holiday Party

December 16 – Ocean & Coastal Resources Committee Program Planning Meeting

December 17 – Infrastructure Committee Program Planning Meeting

JANUARY 2019

January 8 – Leadership Series with MassDEP Regional Teams: Headquarters

January 13 – Site Remediation and Redevelopment Committee Program Planning Meeting

January 13 – Climate Change and Air Committee Program Planning Meeting

January 22 – Leadership Program with Massachusetts EEA Secretary Kathleen Theoharides

January 30 – 14th Annual Construction & Demolition Materials Management Summit
