

## **EBC Earth Week Lunch and Learn Webinar Series**

### **Frog and Toad's Greatest Hits!**

Monday, April 20, 2020

#### **AGENDA**

- 12:00 p.m.    **Welcome:** Elizabeth Desjardins, Staff Engineer, Tighe & Bond
- 12:10 p.m.    **Frog and Toad's Greatest Hits!**
- Rachel Quimby, Public Programs Coordinator, EcoTarium
- 1:10 p.m.    **Any Questions?**
- 1:30 p.m.    **Adjourn – Closing Remarks – Liz Desjardins**

#### **SPEAKER**

**Rachel Quimby**, Public Programs Coordinator  
EcoTarium  
222 Harrington Way, Worcester, MA 01604  
508-929-2756 | [rquimby@ecotarium.org](mailto:rquimby@ecotarium.org) | [www.ecotarium.org](http://www.ecotarium.org)

Rachel Quimby is the public programs/planetarium coordinator at the EcoTarium in Worcester, Mass. She's a graduate of Barnard College, and George Washington University's Museum Education Program. When she's not coordinating programs or planetaria, you can find her running, digging in the dirt and advocating for amphibian appreciation. This one's for you, Kermit!

## About the EBC Ascending Professionals Committee

The mission of the [EBC Ascending Professionals Committee](#) is to identify issues of concern to environmental professionals starting out in the industry. Issues include but are not limited to career and professional skills development, understanding existing and developing legislation and regulations, and networking. These issues are addressed by providing objective information from up-to-date and reliable sources including EBC member company officials, EBC committee chairs, and experts in skills development.

To implement this mission statement, the committee does the following:

- Organize quarterly committee program planning meetings where committee members can network and plan upcoming committee programming.
- Organize seminars and workshops on career and professional skills development skills and other topics of concern.
- Organize networking opportunities for newer environmental professionals to gather with their peers.
- Participate in the EBC Career Fair and other programs and interact with students in environmental fields to provide information about careers in the environmental and energy industry.

Membership in the EBC Ascending Professionals Committee is offered to those who participate in at least one EBC Ascending Professionals Program and one other EBC Program, either through the Ascending Professionals or any other program offered by EBC, per calendar year (two programs total – basic requirement).

## EBC Ascending Professionals Committee Leadership

### Committee Chair

**Cristina Mendoza**, Strategic Integration Lead  
Capaccio Environmental Engineering  
290 Donald Lynch Boulevard, Marlborough, MA 01752  
508.970.0033 x128 // [cmendoza@capaccio.com](mailto:cmendoza@capaccio.com)

### Committee Vice Chair

**Jessica Yeager**, Senior Engineer  
Geosyntec Consultants  
289 Great Road, Suite 202, Acton, MA 01720  
617.992.9065 // [jyeager@geosyntec.com](mailto:jyeager@geosyntec.com)

### New Hampshire Representative

**Danielle Sylvia**, Environmental Engineer  
Golder Associates  
670 North Commercial Street, Suite 103, Manchester, NH 03101  
603.668.0880 // [Danielle.Sylvia@golder.com](mailto:Danielle.Sylvia@golder.com)

### Connecticut Representative

**Ryan Vescovi**, Account Manager  
US Ecology  
89 Commercial Circle, Durham, CT 06422  
203.942.7414 // [rvescovi@nrcc.com](mailto:rvescovi@nrcc.com)
