

EBC Connecticut TSCA Webinar
PCB Clean-up in the Northeast: Understanding Proposed Changes in the
Connecticut PCB Regulations and Managing Disposal

Friday, November 6, 2020

AGENDA

- 9:00 a.m. **Welcome:** Dana Huff, Chair, EBC Connecticut Chapter
Senior Vice President, Tighe & Bond
- Program Introduction – what you will learn:**
- Malcolm Beeler, Program Co-Chair
Senior Project Manager, Team Leader, Weston & Sampson
- 9:20 a.m. **Understanding the Proposed Changes to the RSRs for PCBs**
- Malcolm Beeler, PCB Technical Lead, Weston & Sampson
- 9:40 a.m. **Rail as an Alternative Transportation Method for PCB Contaminated Soil**
- Ross Hartman, Executive Vice President
Strategic Environmental Services, Inc.
- 10:00 a.m. **Networking Opportunity**
- 10:20 a.m. **Break**
- 10:30 a.m. **PCBs – Managing Disposal Options**
- Steve Cross, Strategic Accounts Manager
Heritage Environmental Services, LLC
- 10:50 a.m. **Alternative Method for Disposal of PCB Contaminated Soil**
- Scott Miller, Regional General Manager, Clean Earth, Inc.
- 11:10 a.m. **Case Studies, Handling and Disposal Options for Difficult Matrices and Multiple Contaminants**
- David McCarley, Business Development Manager
Northeast United States, Clean Harbors
- 11:30 a.m. **Moderated Discussion**
- Moderator:** David McCarley, Program Co-Chair, Clean Harbors
- 12:00 p.m. **Adjourn**

PROGRAM CO-CHAIRS

Malcolm Beeler, Team Leader, PCB Technical Lead
Weston & Sampson
273 Dividend Road, Rocky Hill, CT 06067
860-513-1473 | BeelerM@wseinc.com

Mr. Beeler is a Senior Project Manager and Team Leader with Weston & Sampson Engineers in Rocky Hill, CT. He is a Licensed Environmental Professional with 30 years of experience in the environmental consulting industry focused on creative problem solving, project management, site investigation, contaminant remediation and environmental compliance. His consulting practice presently includes site investigation and remediation for PCBs in soil, groundwater, and building materials at numerous sites. He has a Master's Degree in Environmental Engineering and Bachelors of Science degrees in Chemistry and Civil Engineering, all from the University of Texas at Austin.

David McCarley, Business Development Manager, Northeast United States
Clean Harbors
42 Longwater Drive, Norwell, MA 02061
732-372-2886 | mccarley.david@cleanharbors.com

Mr. McCarley is a Principal Environmental Scientist with nearly 30 years of experience providing a wide range of environmental services to clients in private industry, Federal Agencies, State governments and municipal entities as a Program and/or Project Manager. During his career he has directly managed operations on a wide variety of projects ranging from Phased Environmental Site Assessments (I-IV) to advanced soil and groundwater assessment and remediation projects under the Superfund Innovative Technology Evaluation (SITE) program, on Superfund Sites, and on EPA Brownfields Assessment Pilot Projects.

Mr. McCarley has served as Project Manager on numerous environmental service projects and contracts for the DoD and DoE, USAF, and USACE. He has completed assessment and remediation projects under the BRAC, FUDS/FUSRAP and Navy CLEAN programs through direct contracts (ID/IQ MARC, HTRW, WERC) and as a WBE/DBE/8(a) subcontractor to larger consulting firms. In addition, as a project manager he has managed contracts/task order authorizations for complex mixed waste remediation projects with budgets from \$10 million to over \$90 million.

SPEAKERS

Steve Cross, Strategic Accounts Manager
Heritage Environmental Services, LLC
M 315-406-9342 | steve.cross@heritage-enviro.com

Steve has been involved in RCRA since its inception in the late 70's. Initially as a generator working in industry and spent 5 years as Corporate Manager of Environmental for Materials Research Corp. in Orangeburg, NY.

In 1988, Steve left the industry and entered sales in hazardous waste working for a small TSDF in Upstate NY. In 1999, Mr. Cross was employed in sales for Clean Harbors.

Mr Cross joined Heritage Environmental Services in 2006. Since 2006 focused on the remediation segment of the environmental industry identifying both TSCA PCB & RCRA transportation & disposal opportunities to Heritage's TSDF's.

Ross Hartman, Executive Vice President
Strategic Environmental Services, Inc.
75 Hedgerow Drive, Warwick, RI 02886
T 508-757-7782 | M 401-391-8052 | rhartman@strategic-es.com

Mr. Hartman serves as the Co-Owner and Executive Vice President of Strategic Environmental Services where he is responsible for the management and oversight of all aspects of the day to day business operations. Mr. Hartman has over 20 years of experience in environmental industry with a focus on site remediation, redevelopment projects, management of hazardous wastes and PCB and asbestos abatement projects. Mr. Hartman holds a BS in Geology from Central Connecticut State University and attended the Greater Boston Executive Program at MIT Sloan School of Business.

Scott Miller, Regional General Manager
Clean Earth, Inc.
58 North Washington Street, Plainville, CT 06062
860-670-7608 | smiller@harsco.com

Scott Miller is the Regional General Manager, New England for Clean Earth Inc. supporting three low temperature thermal desorption soil treatment facilities and the design and management of beneficial soil reuse projects through New England. Scott has 25 years of comprehensive engineering and management experience in the environmental industry. He has designed, installed and managed groundwater treatment systems, industrial wastewater treatment facilities, in situ soil remediation systems, engineered controls and soil treatment solutions. Scott is a licensed Professional Engineer in Connecticut. He earned his Bachelor of Science in Civil Engineering from Lehigh University and his Master of Business Administration in Business Management at UMass Amherst.

UPCOMING EBC PROGRAMS

NOVEMBER 2020

November 6: Connecticut Chapter Virtual Program Planning Meeting

November 9: TSCA and Emerging Contaminants Virtual Program Planning Meetings

November 10: Rhode Island DEM Office Chiefs Briefing with Keynote Presentation from Terry Gray

November 12: Solid Waste Webinar – Future of Solid Waste Management in New England

November 12: Ascending Professionals Webinar – Managing Risk – Environmental Insurance 101

November 13: 14th Annual Dredging Conference – Cleaning Up Past Contamination

November 16: Water Resources Committee Virtual Program Planning Meeting

November 17: Infrastructure Webinar – Boston Infrastructure Projects

November 18: Leadership Webinar: Post-Election Congressional Briefing – US Senator Edward Markey

November 20: Climate Adaptation Forum: Resilience and Equity in Transportation

DECEMBER 2020

December 1: EBC Spotlight on Outstanding Collaboration – The Art of Working Together

December 2: 8th Annual New England Offshore Wind Conference: 2020 Decisions

December 2: Climate Adaptation Forum Networking Event – Climate Cocktails

December 7: Energy Resources Committee Virtual Program Planning Meeting

December 7: Dam Management Committee Virtual Program Planning Meeting

December 8: Water Resources Webinar – The Clean Water Act at (Almost) 50

December 8: New Hampshire Chapter Virtual Program Planning Meeting

December 9: Rhode Island Chapter Virtual Program Planning Meeting
