PROGRAM CHAIR

Max Forsythe, Regional Sales Manager

US Ecology

19 National Drive, Franklin, MA 02038

(508) 966-6014 | M (508) 450-0253 | Max.Forsythe@usecology.com

Max Forsythe leads the US Ecology's business development team where his primary focus is on expanding relationships with clientele through US Ecology's variety of service lines ranging from industrial cleaning, decontamination, transportation and disposal of waste to large-scale remediation projects. He manages, in a programmatic way, US Ecology's business offerings primarily in the northeast by sponsoring the needs of our clients to ensure success. Mr. Forsythe has been with US Ecology for six years and previously worked for an international refractory metal manufacturer as part of their inside sales team. Mr. Forsythe graduated from the University of Tampa in 2010 holding a degree in Finance.

SPEAKERS

Tony Loomer, Learning & Development Manager
US Ecology
101 S Capitol Blvd, Suite 1000, Boise, ID 83702
(208) 506-7321 | Anthony.Loomer@USEcology.com

As part of the Learning & Development team at US Ecology, Tony Loomer brings more than 20 years of experience to support a wide range of leadership training initiatives. Tony applies his rich background to learning programs at US Ecology, combining technology, facilitation, and leadership development to deliver impactful online and virtual learning experiences – anytime, anywhere. Tony received his Master's degree in Education in 2003.

Tricia Watson, Learning & Development Specialist
US Ecology
101 S Capitol Blvd, Suite 1000, Boise, ID 83702
(208) 412-0188 | Tricia.Watson@USEcology.com

Tricia Watson is a member of US Ecology's Learning & Development team where her primary focus is to collaborate with stakeholders to build unique training programs. In 2019 she helped to develop an innovative use of technology for delivering virtual training. Ms. Watson has been with US Ecology for 16 years in a variety of roles, including administration and payroll. Ms. Watson holds a Bachelor's degree in Human Resources Management from Western Governors University as well as a Master's degree in Instructional Design from Western Governors University.
