PROGRAM CHAIRS

Gretchen Carey, Recycling and Organics Coordinator
Republic Services
320A Charger Street, Revere, MA 02151
781-560-1412 | gcarey@republicservices.com

Gretchen Carey has worked in the environmental field for over a decade as a volunteer, municipal recycling coordinator, and now the Republic Services Recycling and Organics Coordinator for New England. Along with training and educating on recycling, she is helping to build the organics infrastructure in New England. Gretchen is President of the Board of Directors for the statewide recycling group, MassRecycle, and hosts a monthly podcast there. She is a LEED Green Associate, a Zero Waste TRUE Advisor, a member of the EBC Solid Waste Management Leadership Committee. She is also co-founder of GreenLabs Recycling, a hyperlocal start-up company dedicated to saving clean lab plastic from the trash in the Greater Boston area by helping it get recycled into new products.

Peter Durning, Managing Shareholder
Mackie Shea Durning, PC
20 Park Plaza, Suite 1001, Boston, MA 02116
617-266-5104 | pdurning@mackieshea.com

Peter Durning is the Managing Shareholder at Mackie Shea Durning, P.C., an environmental and land use law boutique. Peter focuses his practice in the areas of environmental litigation, enforcement defense, land use and permitting, with a specific focus in the areas of hazardous materials, solid waste, water and wetlands. His experience includes adjudicatory hearings before the MassDEP, zoning disputes, judicial review of administrative proceedings, and appellate work. Peter represents clients in environmental remediation cost recovery actions under M.G.L. c. 21E, as well as business and transactional consulting related to contaminated property. Mr. Durning earned his J.D. from Boston College Law School and holds a B.A. in History from the University of Notre Dame.

SPEAKERS

Mark Dakers, Chief, Solid Waste Management Section
Southeast Regional Office
Massachusetts Department of Environmental Protection
20 Riverside Drive, Lakeville, MA 02347
508-946-2847 | mark.dakers@mass.gov

Mark Dakers is an environmental analyst with the Massachusetts Department of Environmental Protection (MassDEP) in Lakeville. In his position, he is responsible for permitting, compliance and enforcement activities at solid waste management facilities and recycling operations within the Southeast region of the state, as well as investigating complaints of unpermitted solid waste activity. Mark has worked at MassDEP since 1994 in the solid waste and drinking water sections. Prior to joining MassDEP, Mark worked for SAIC Engineering, Inc. performing assessment and remedial actions at solid waste and hazardous waste facilities. He holds a Bachelor's of Science Degree in Geology from the University of Rhode Island – Kingston.

Mark Fairbrother, Chief, Solid Waste Management Section
Northeast Regional Office
Massachusetts Department of Environmental Protection
205B Lowell Street, Wilmington, Massachusetts 01887
978-694-3298 | mark.fairbrother@mass.gov

Mark Fairbrother is the Solid Waste Section Chief at MassDEP's Northeast Regional Office in Wilmington. The Solid Waste section is involved in permitting, compliance and enforcement activities at solid waste management facilities and recycling operations within the region. The section also investigates complaints of unpermitted solid waste activity and provides technical assistance to promote compliance with the Massachusetts solid waste and recycling regulations.

Douglas Fine, Deputy Regional Director, Bureau of Air & Waste
Central Regional Office
Massachusetts Department of Environmental Protection
8 New Bond Street, Worcester, MA 01606
508-767-2757 | Douglas.Fine@mass.gov

Doug Fine is the Deputy Regional Director for the Bureau of Air and Waste in MassDEP's Central Regional Office. Doug oversees the agency's permitting, compliance, and enforcement activities in Central Massachusetts for solid waste, air quality, asbestos, hazardous waste (21C), and the Mass Toxics Use Reduction Act. Doug has served in various policy and operations positions at MassDEP since 1989. Doug holds a Bachelor's degree in Environmental Studies from Antioch College, and a Master's degree in Public Administration from Harvard University's Kennedy School of Government.

John Fischer, Deputy Division Director
Solid Waste Materials Management
Massachusetts Department of Environmental Protection
One Winter Street, Boston, MA
617-292-5632 | john.fischer@mass.gov

John Fischer is Deputy Division Director of Solid Waste Materials Management at MassDEP. Prior to holding this position, John was Branch Chief for Commercial Waste Reduction at MassDEP. He has been with MassDEP since 1998. John holds a Bachelor's Degree in Human Ecology from Connecticut College and a Master's in City Planning Degree, with a focus on Environmental Policy and Planning, from MIT.

Dan Guglielmi, Environmental Engineer IV, Solid Waste Management Section
Central Regional Office
Massachusetts Department of Environmental Protection
8 New Bond Street, Worcester, MA 01606
508-767-2751 | Dan.Guglielmi@mass.gov

Dan Guglielmi is an Environmental Engineer IV in the Solid Waste Management Section at MassDEP's Central Regional Office in Worcester. The Solid Waste Management Section is responsible for permitting, compliance and enforcement activities at solid waste management facilities and recycling operations within the Central region of the state, as well as investigating complaints of unpermitted solid waste activity. Dan has worked at MassDEP since 2018 in the solid waste section. Prior to joining MassDEP, Dan worked for several engineering consulting firms, including over 16 years in the Solid Waste Group at CDM Smith Inc. acting as both project manager and design engineer for various solid waste management projects such as landfill closures, post-closure use projects, and modifications to landfill capping systems.

Daniel Hall, Chief, Solid Waste Management Section
Western Regional Office
Massachusetts Department of Environmental Protection
436 Dwight Street, Springfield, MA 01103
413-755-2212 | daniel.hall@mass.gov

Daniel Hall is the Solid Waste Section Chief at MassDEP's Western Regional Office in Springfield. The Solid Waste section is involved in permitting, compliance and enforcement activities at solid waste management facilities and recycling operations within the region. The section also investigates complaints of unpermitted solid waste activity and provides technical assistance to promote compliance with the Massachusetts solid waste and recycling regulations.
