- 11:25 a.m. **Break**

11:30 a.m. Moderated Discussion

Moderator: Michael Scipione, Program Co-Chair
Vice Chair, EBC Infrastructure Committee
CEO, Weston & Sampson

Panel Members:

- Garrett Eucalitto, Deputy Commissioner, CTDOT
- Victoria Sheehan, Commissioner, NHDOT

12:00 p.m. Adjourn

PROGRAM CO-CHAIRS

Samuel Moffett, AICP, Senior Principal
TRC
650 Suffolk Street, Suite 200, Lowell MA 01854
978.970.5600 | smoffett@trccompanies.com

Sam Moffett of TRC focuses his professional practice on the planning, permitting and licensing of transportation and electrical infrastructure projects in New England. He has been with TRC since 2010 and is consistently successful in delivering high-quality planning and permitting services to his public and private sector clients.

In addition to his participation as a member of the EBC Infrastructure Committee, Sam is also a member of the ACEC-TALC MassDOT Highway Partnering Committee, the Consulting Planners of Massachusetts, and is a member of the board of directors of The Lowell Plan.

Sam holds an A.L.B. from the Harvard University Extension School with a concentration in Government, and an M.A. in Urban and Environmental Policy from Tufts University.

Michael J. Scipione, CEO
Weston & Sampson
55 Walkers Brook Drive, Suite 100 Reading, MA 01867
978.532.1900 | scipionm@wseinc.com

Michael J. Scipione, P.E., CEO of Weston & Sampson, has nearly 40 years of engineering experience. Since joining Weston & Sampson in 1985 as a project engineer, Mike has risen through the corporation and been instrumental in the success and growth of the firm. In 2005, Mike was elected and promoted to the position of President and Chief Executive Officer. Under his leadership, Weston & Sampson has experienced significant growth to more than 650 employees in regional offices throughout the Northeast, Southeast, and Mid-Atlantic regions.

As the firm's CEO, Mike provides clients and business associates with an accessible and hands-on approach to projects while fostering Weston & Sampson's tradition of prompt client service and response. A professional engineer in all New England states, Mike has been active in and/or held offices in national and regional professional organizations throughout his career, including the Environmental

Business Council, the American Council of Engineering Companies, the Boston Society of Civil Engineers, American Water Works Association, and the Solid Waste Association of North America.

Mike holds a Master of Science in Environmental Engineering from Northeastern University and a Bachelor of Science in Civil Engineering from Worcester Polytechnic Institute. He is also a graduate of ACEC's Senior Executive Institute and Harvard Business School's Program for Leadership Development.

SPEAKERS

Jamey Tesler, Secretary / Chief Executive Officer
Department of Transportation
Commonwealth of Massachusetts
10 Park Plaza, Suite 4160, Boston, MA 02116

Contact: Janine Hynds, Executive Assistant, Office of the Secretary of Transportation
Email: Janine.j.hynds@dot.state.ma.us

Jamey Tesler was named MassDOT Secretary and CEO on July 27, 2021.

Mr. Tesler had been installed permanently as Registrar of the Massachusetts Registry of Motor Vehicles (RMV) in June of 2020, after serving in the role on an interim basis since June of 2019. As Registrar, Tesler has led the agency through a significant organizational overhaul, reprioritizing and bolstering the RMV's public-safety related responsibilities especially with regards to accurate and up-to-date driver records and state to state communications, while also drastically improving the RMV's business model to continue providing quality service options to customers during the COVID-19 pandemic by instituting an appointment-only system and enhancing online transaction capabilities, including an online learner's permit test. These and other operational efforts, including the implementation of automatic voter registration and non-binary gender options on credentials, were further enabled by the final stages of RMV's technology transformation project to ATLAS during Tesler's tenure.

Tesler has worked for more than 16 years in senior management roles in the public sector, including as General Counsel to the Massachusetts State Treasurer, Deputy Legal Counsel in the Office of the Governor, Deputy General Counsel for the Massachusetts Bay Transportation Authority (MBTA), MassDOT Assistant Secretary for Procurement and Contract Management, Acting Chief of Staff for the Secretary of Transportation, and then as Chief Operating Officer at MassDOT. In April 2019, Tesler left state government for the position of Chief of Staff at Suffolk Construction prior to returning to work for the Commonwealth as Acting Registrar on June 25, 2019.

Tesler received his bachelor's degree in Economics and International Relations from the University of Pennsylvania and his Juris Doctor from the University of Michigan.

Garrett Eucalitto, Deputy Commissioner
Department of Transportation
State of Connecticut
2800 Berlin Turnpike, PO Box 317546, Newington, CT 06131-7546
860-594-2000 | Garrett.Eucalitto@ct.gov

Contact: Melanie LaPenta, Administrative Assistant, Office of the Commissioner
Email: melanie.lapenta@ct.gov

Garrett Eucalitto joined CTDOT as a Deputy Commissioner in January 2020. Garrett comes to CTDOT after holding various positions, most recently as Transportation Program Director at the National Governors Association in Washington, DC.

Prior to that he was Undersecretary for Comprehensive Planning & Intergovernmental Policy at Connecticut's Office of Policy & Management where he was responsible for researching, evaluating and developing transportation, environmental, and regional planning initiatives for then-Governor Dannel Malloy's administration.

Garrett also spent six years in Washington, D.C. on the staff of former Senator Joe Lieberman as his Legislative Assistant covering appropriations, transportation, and infrastructure. In this role he advocated for Connecticut's transportation needs at the federal level, led efforts to protect Long Island Sound and improve the state's air quality and environmental assets, secured federal protections to allow continued dredging of the state's ports and harbors, and worked very closely with CTDOT to secure annual appropriations and discretionary funding, and in the consideration and passage of MAP-21.

Garrett holds a BA from the College of the Holy Cross and an MA from Boston University. A native of Torrington, CT, Garrett currently lives in New Haven.

Victoria F. Sheehan, Commissioner
Department of Transportation
State of New Hampshire
PO Box 483, 7 Hazen Drive, Concord, NH 03302-0483

Contact: Eileen P. Meaney, Chief Communications Officer, State of NH DOT
Email: Eileen.P.Meaney@dot.nh.gov

Sworn in as the Commissioner of the New Hampshire Department of Transportation on October 19, 2015, Victoria Sheehan oversees a state agency with an operating budget of \$650 million and over 1,600 full time employees dedicated to providing safe and efficient transportation systems.

Ms. Sheehan brings both transportation engineering and management experience to her role as Commissioner. In her years as a dedicated public employee, she has worked as a resident engineer and as a project manager, with a record of delivering contracts on-time and on-budget. She also has extensive experience in asset and performance management.

In her previous position as Manager of Strategic Planning and Highway Performance at the Massachusetts Department of Transportation, Ms. Sheehan was responsible for coordinating the Highway Division's \$5 billion capital plan and annual \$600 million operating budget. While at MassDOT, Ms. Sheehan also served as the Program Manager for the state's recently completed \$3 billion Accelerated Bridge Program.

In November of 2020, Ms. Sheehan was elected President of the American Association of State Highway and Transportation Officials (AASHTO). She is also a member of AASHTO's executive committee and serves as the chair of the Strategic Management Committee, Transportation Policy Forum, and Knowledge Management Committee.

Commissioner Sheehan is originally from Ireland, and has a Master's Degree in Structural Engineering and Architecture from the University of Edinburgh. She lives in Nashua, NH with her husband Sean and son Eoin.
