PROGRAM CHAIR

Jaclyn (Jackie) Caceci, P.E., LEED AP, Senior Project Manager
Tighe & Bond
1000 Bridgeport Avenue, Shelton, CT 06484
203-712-1105 | JMCaceci@tigheBond.com

Jackie Caceci is a Senior Project Manager at Tighe & Bond in Shelton, CT. She is a registered Professional Engineer in Connecticut and Massachusetts, as well as a LEED Accredited Professional. She has over 19 years of experience focusing on site/civil design, stormwater and solid waste projects. Jackie started her career in Massachusetts where she worked for 14 years before moving to Connecticut 5.5 years ago. She is on the Board of the Southern New England Chapter of the Solid Waste Association of North America (SWANA), as well as serving as the Connecticut Chair for the EBC. She received both a Bachelor of Science degree and a Master of Science degree in Civil Engineering from Worcester Polytechnic Institute.

SPEAKERS

Paul Farrell, Acting Chief, Bureau of Air Management
CT Department of Energy & Environmental Protection (DEEP)
79 Elm Street, Hartford, CT 06106
860-424-4152 | paul.farrell@ct.gov

Mr. Farrell is the Acting Chief of the Bureau of Air Management, which consists of the Engineering, Enforcement, Planning & Standards, and Radiation Divisions. Prior to this recent appointment, Mr. Farrell served as the Director of the Planning & Standards Division where he was charged with overseeing the design of programs and policies necessary to meet multiple clean air, clean energy and clean transportation goals as well as the management of Connecticut's ambient air monitoring network. Mr. Farrell received his undergraduate degree from Boston University and his law degree from Quinnipiac University School of Law in Hamden, Connecticut.

Jennifer L. Perry, P.E., Chief, Bureau of Materials Management and Compliance Assurance
CT Department of Energy & Environmental Protection (DEEP)
79 Elm Street, Hartford, CT 06106
860-424-3802 | M 860-549-2292 | jennifer.perry@ct.gov

Ms. Perry is the Bureau Chief of the Bureau of Materials Management and Compliance Assurance, which is comprised of the Emergency Response and Spill Prevention, Waste Engineering and Enforcement, and Water Permitting and Enforcement Divisions. Prior to her current role, Jennifer served as the Director of the Water Planning and Management Division of the Bureau of Water Protection and Land Reuse where she oversaw the Municipal Wastewater's Clean Water Fund, Connecticut's Dam Safety Program and the Water Planning Programs. Ms. Perry holds a B.S. in Civil Engineering from the University of Connecticut and is a licensed Professional Engineer.

Graham J. Stevens, Chief, Bureau of Water Protection and Land Reuse
CT Department of Energy & Environmental Protection (DEEP)
79 Elm Street, Hartford, CT 06106
(860) 424-4166 | graham.stevens@ct.gov

Mr. Stevens is the Bureau Chief of the Bureau of Water Protection and Land Reuse, which is comprised of the Remediation, Land and Water Resources, and Water Planning and Management Divisions. Prior to his current role, Graham served as Office Director of Constituent Affairs and Land Management and Chief of Staff to both Commissioner Amey Marrella and Commissioner Gina McCarthy. He has also worked for nine years in the Department's Remediation Division on Brownfield redevelopment issues and served as the Department's first Brownfields Coordinator from 2007 until 2014. Mr. Stevens holds a B.A. in Environmental Geography from Clark University and a M.S. in Water Resources from the University of Connecticut.
